#### RULES & INFORMATION

**ANTE FORMAT:** A single ante will be posted by the player in the big blind in the amount equivalent to the big blind of the current level. The ante is posted before the big blind, and players are eligible to collect the entire ante even when not in the position of the big blind. The ante is maintained until the completion of the tournament.

**LEVEL TIMES:** Suggested level times are 40 minutes. Please note that when 40-minute level times are used, breaks should be every three levels. When the tournament reaches heads-up play, 30-minute level times should be used. These schedule guidelines provide flexibility for the casino to schedule dinner breaks and end of days.

**REGISTRATION:** Registration can remain open for a maximum of nine levels, closing at the start of Level 10, to allow players to begin play with a minimum of 30 big blinds.

**STARTING CHIPS:** Players in official WPTDeepStacks events will begin with 30,000 in tournament chips.
