SEPTEMBER 10 – 19, 2022

## PLAYER OF THE FESTIVAL

### ELIGIBLE EVENTS:

Season XX DeepStacks, Prime & Main Tour Festivals

WPT Player of the Festival points are awarded based on two variables, the total prizepool of each eligible event and the buy-in category.

The buy-in categories include a number of buy-in brackets, for example €500 to €999, and separate categories for WPTDS/Prime Main Events & Main Tour Main Events.

The winner of the WPT Player of the Festival award will be the player who earns the most POF points during the period comprising such WPT Festival.

In the event of a tie on points, the following tiebreaking system will apply (only move to the next numbered tiebreaker if players tying are still equal):

1st tiebreaker Most Titles

2nd tiebreaker Most Final Tables\*

3rd tiebreaker Most In The Points

4th tiebreaker Most \$ Won\*

\* Only applies to results in the points"

4th tiebreaker notes – In the event a jurisdiction/casino allows deal making, then the individual cashes as listed by the venue will be shown on WPT channels and distribution networks.

If the jurisdiction/casino does not allow deal making, then individual cashes will be shown as per the official prizepool on WPT channels and distribution networks..

To receive points as per the POF points schedule, a player must be In The Money.

Invitational, Teams and events with restrictions for age, sex or other reasons are not considered Eligible Events and thus will not count towards Player of the Festival Points

Points for events such as Heads Up where for example, 4 players are eliminated from the last 8, will be averaged out according to the total of 5th to 8th place points.

Any tournament added after the commencement of the festival is not eligible for POF points.

The WPT Prime Madrid Player of the Festival will win a WPT Passport for a Main Tour entry of their choice worth approximately €1,100. For additional details review the official rules: <https://bit.ly/3NxQjFy>

In the event of a deal, WPT reserves the right to revert POF points to the originally assigned totals (pre-deal) in the event that the deal unfairly alters a player's position in the POF standings.

Season XX POF WPT Passports may be redeemed until the later of December 31, 2022 or three months from the date of issue. A minimum of three weeks notice is required.

### WPT Player of The Year: How to win

WPT Player of the Year points are awarded based on the total prize pool of the tournament. During Season XX of the World Poker Tour, the winner of the WPT Player of the Year award will be the player who earns the most POY points during the period comprising such WPT Season. In the event of a tie on points, the following tiebreaking system will apply (only move to the next numbered tiebreaker if players tying are still equal):

- 1st tiebreaker: Most Titles
- 2nd tiebreaker: Most Final Tables
- 3rd tiebreaker: Most In The Points
- 4th tiebreaker: Most \$ Won

4th tiebreaker notes – In the event a jurisdiction/casino allows deal making, then the individual cashes as listed by the venue will be shown on WPT channels and distribution networks. If the jurisdiction/casino does not allow deal making, then individual cashes will be shown as per the official prizepool on WPT channels and distribution networks.

To verify individual cashes go to:  
<https://www.worldpokertour.com/event/?list=past>

The date used to determine the USD exchange rate for non USD POY events is the closing exchange rate for Day 1A as per Wall Street Journal website:  
<https://www.wsj.com/market-data/currencies/exchangerates>

The WPT POY will apply to all WPT major global tour events including Main Tour, WPTDeepStacks, Prime and other branded events designated as POY eligible. Invitational and/or Qualifiers only Events will not count.

Players must finish in the money to earn POY points.

A player qualifying more than once In The Money in an Event will only receive points for his/her highest placing in that Event.
