## **Getting Credentials, What They Mean and Their Restrictions:**

The credential application is for accreditation only and does not guarantee that credentials requested will automatically be issued. WPT Enterprises, Inc. ("WPT") reserves the right to limit the number of credentials issued to each news organization. Please submit only one online application per news organization.

Walk-up registration is highly discouraged, and admission is at the discretion of WPT and the Casino Partner.

Media credentials are non-transferable. Failure to adhere to these rules will lead to expulsion and revocation of media credentials. There is no consumption of alcoholic beverages on the tournament floor when wearing a media credential. Credentials will not be issued to non-editorial staff. Non-editorial staff includes organization representatives from marketing, sales, advertising, public relations, etc.

Credentials will only be issued to employees of publications that regularly cover poker, recognized poker news websites, daily news services, national news services, and national and local TV and radio stations. Such employees must meet any age requirements set forth by the hosting casino.

WPT and media are guests in the casino that is hosting the WPT event, which WPT may film for television. All media are asked to abide by casino regulations and WPT policies or risk forfeiting their credentials and footage/photographs.

By issuing media credentials, WPT permits the gathering of photos and/or up to 7 minutes of video<sup>1</sup> per day to use for promotional or editorial purposes, solely within the assigned media member's media company and parent company. Other media outlets outside the parent company are not permitted to use the photos or footage.

Credentials can be picked up at the Media check-in table located in the event area.

**All video footage requests (including requests for documentary purposes) must be made and approved by WPT prior to the event. The *Permission to Tape and License to Use Footage & Stills Agreement (attached hereto)* must be signed by anyone using video or taking photography at an event.**

WPT reserves the right to modify these rules at any time.

There are two separate areas of distinction for the purposes of this agreement: the "**casino floor**" which encompasses all of the areas outside the tournament area of the casino or tournament sponsor's facility, and the "**WPT tournament area**."

---

<sup>1</sup> A total of seven (7) minutes worth of footage may be acquired. Published clips may not exceed two (2) minutes.

## **Photography and Videography General Guidelines**

- Video during the Final Table taping is not permitted. Access to the Final Table Set for photos will be allowed within the parameters outlined by the onsite WPT representative. [Note: basic parameters are outlined below.]

- Direct all media questions and inquiries to [media@wpt.com](mailto:media@wpt.com).

## **Casino Regulations/Casino Floor Area**

During tournament play-down days, media may wear clothing brand logos such as Nike, Polo, etc., but may not wear logos representing illegal activity of any kind (including gaming sites), pornography, firearms, tobacco, personal hygiene, sexual aids, or hard liquor. In addition, during tournament play-down days, media may not wear logos representing competitive broadcast networks or companies competitive with WPT. During the Final Table taping, media will NOT be permitted to wear logos of any kind.

## **COVID Procedures**

All Members of the Press must follow all rules, laws, and regulations applicable to the WPT event and instructions provided by WPT and/or the Casino at all times.

## Permission to Tape and License to Use Footage

To: \_\_\_\_\_

This letter ("Letter Agreement") shall serve to memorialize the understanding between WPT Enterprises, Inc. ("WPTE") and you ("You," "Your") for Your restricted rights to (i) film, video tape and/or photograph live tournaments ("Tape" or "Taping") and (ii) use footage or stills from such Taping ("Footage/Stills") pursuant to the conditions and restrictions below. In exchange for the rights to Tape and use Footage/Stills and other valuable consideration, You hereby agree to the following:

**Taping.** WPTE shall permit You to Tape for the purposes of using the Footage/Stills in the manner described herein; provided that (i) You seek permission from casinos where tournaments are held to enter the location for the purposes of Taping (e.g., secure a location release); and (ii) You check in at the sign-in table like all other guests so that WPTE staff may be made aware of Your presence at such tournament and provide You with the required escort for tournament floor access.

**Use of Footage/Stills.** All use of the Footage/Stills shall be for promotional purposes only to benefit WPTE and its related television programs. Use of the Footage/Stills and any promotion related thereto shall not be directed toward any tournament, television program or network that directly or indirectly competes with WPTE's businesses (including, without limitation, World Series of Poker, European Poker Tour) or for the purposes of securing work with such organizations. Further, use of such Footage/Stills shall (i) not be derogatory toward WPTE or any of its businesses; (ii) not be used in any way so as to constitute an express or implied endorsement of any product or service by, or a commercial tie-up involving, anyone associated with WPTE; and (iii) with respect to Footage only, not be incorporated into any one project where individual clips are longer than two (2) minutes each, or longer than four (4) minutes in the aggregate. You shall obtain all required written authorizations, consents and releases, if any, in form and substance satisfactory to WPTE, necessary for the use of the Footage/Stills, including, without limitation, consents from those who appear recognizably in the Footage/Stills. Use of the Footage/Stills outside of the parameters granted herein, and any third party use of the Footage/Stills, shall require prior written consent from WPTE. Wherever possible, You shall insert a courtesy credit substantially in the following form: "World Poker Tour [clip/photo] courtesy of WPT Enterprises, Inc." and with respect to Stills only, insert applicable copyright notice(s) attributing ownership to WPTE.

**Indemnification.** You represent and warrant that You will indemnify and hold WPTE, its parent, successors, licensees and assigns, harmless from and against any and all claims, damages, liabilities, costs and expenses arising out of any breach of this Letter Agreement or from Your Taping or use of the Footage/Stills. WPTE reserves the right to revoke its permission for You to Tape and use the Footage/Stills for any reason at any time in the future.

If this Letter Agreement accurately reflects our understanding, please acknowledge by signing below.

Sincerely,

Adam Pliska  
CEO and President
